Official Information Act Request: Costs of AgResearch Genetically Modified Gene Technology Experiments

To: Mr Nick Barraclough AgResearch OIA Officer

Atamarie Mr Barraclough,

1. Please provide the annual monetary costs for projects employing regulated Gene bio technologies you have received from New Zealand funding bodies from 2010-2025 namely -
 - The Endeavour fund, Dairy NZ, PGG Wrightsons and Ministry of Business, Innovation and Employment, New Zealand Agricultural and Pastoral Green House Gasses Research, Grasslanz Technology limited, CRV Ambreed NZ ltd, Livestock Improvement Corp: and all other funders both private and public for the genetically modified (transgenic) experiments conducted by AgResearch, ERMA 200223, HME Rye grass for development and field trials, Non-heading ryegrass, Condensed tannins in white clover and other GM Forages and High-value New Zealand pigs for transplantable biomaterials
2. Please may I have the comprehensive breakdowns of costs (e.g., by year, by expenditure category) costs from 2010-2025 that includes
 - Monies granted for the associated direct and indirect expenses associated with running the New Zealand and overseas field trials,
 - facility operations, compliance, veterinary animal husbandry, and any other financial outlays reported under GM outdoor experimental work.
3. If some information is held in reports or tables, please provide copies of such documents or indicate where they can be accessed.

If you require any further clarification to process this request, please let me know as soon as possible.

I am requesting this information under the Official Information Act 1982.

Ngā mihi ,

Claire Bleakley.
